

QUICK REFERENCE: WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by **Thoroughbred Motorsports** under the **New Vehicle Limited Warranty**. Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven

Your New Vehicle Limited Warranty

TYPE OF COVERAGE	YEARS IN SERVICES/MILES DRIVEN
BUMPER TO BUMPER	3 / 36,000
POWERTRAIN	3 / 36,000
CORROSION (Perforation only)	3 / 36,000

The measure that occurs first determines how long your coverage lasts. For example: Your *Bumper to Bumper* Coverage lasts for three years - unless you drive more than 36,000 miles

before three years elapse. In that case, your coverage ends at 36,000 miles.

WHAT IS COVERED?

Your NEW VEHICLE LIMITED WARRANTY gives you specific legal rights. You may have other rights that vary from state to state. Under Your New Vehicle Limited Warranty if:

-Your **Thoroughbred Motorsports** vehicle is properly operated and maintained, and was taken to a **Thoroughbred Motorsports** dealership for a warranted repair during the warranty period,

then authorized **Thoroughbred Motorsports** dealers will, without charge, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a manufacturing defect of factory-supplied materials or factory workmanship.

This warranty does not mean that each **Thoroughbred Motorsports** vehicle is defect free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes and such defects could result in the need for repairs. For this reason, **Thoroughbred Motorsports** provides the New Vehicle limited

Warranty in order to remedy any such defects that result in vehicle part malfunction or failure during the warranty period.

The remedy under this written warranty, and any implied warranty, is limited to repair, replacement, or adjustment of defective parts. This exclusive remedy shall not be deemed to have failed its essential purpose so long as **Thoroughbred Motorsports**, through its authorized dealers, is willing and able to repair, replace, or adjust defective parts in the prescribed manner. **Thoroughbred Motorsports'** liability, if any, shall in no event exceed the cost of correcting manufacturing defects as herein provided and upon expiration of this warranty any such liability shall terminate.

Conditions that are not covered by the New Vehicle Limited Warranty are described on pages 18-21. When making warranty repairs on your vehicle, the dealer will use **Thoroughbred Motorsports** or **Ford Motor Company** parts or remanufactured or other parts that are authorized by **Thoroughbred Motorsports**, at the discretion of **Thoroughbred Motorsports** or the **Thoroughbred Motorsports** dealership.

Nothing in this warranty should be construed as requiring defective parts to be replaced with parts of a different type or design than the original part, so long as the vehicle functions

properly with the replacement part. Moreover, **Thoroughbred Motorsports** and its authorized dealers are entitled to a reasonable time and a reasonable number of attempts within which to diagnose and repair any defect covered by this warranty.

In certain instances, **Thoroughbred Motorsports** may authorize repairs at other than **Thoroughbred Motorsports** dealer facilities.

Two separate warranties apply to tires on your new vehicle. The New Vehicle Limited Warranty covers fire defects in factory supplied material or workmanship for 100% of labor costs and on a pro rata adjustment basis for parts. (See the reimbursement schedule below).

For vehicles within the New Vehicle Limited Warranty time in service and mileage coverage period, defective tires will be replaced on a pro rata adjustment basis according to the following mileage-based Reimbursement Schedule:

MILES DRIVEN	PERCENT OF PARTS COVERED BY THOROUGHbred MOTORSPORTS
1 - 12,000	100%
12,001 - 24,000	60%
24,001 - 36,000	30%

The tire manufacturer also provides you with a

separate tire warranty that may extend beyond the New Vehicle Limited Warranty coverage. You will find the manufacturer's tire warranty with the owner literature supplied with your vehicle. You have the option of having a tire warranty repair performed by the tire manufacturer's authorized service center. If you go to a tire service center for a repair covered by the New Vehicle Limited Warranty, you may be charged a prorated amount for wear or other charges. If so, you should present your paid invoice detailing the nature of the charges to any **Thoroughbred Motorsports** dealership for refund consideration. When making warranty repairs on your vehicle, the dealer will use **Ford Motor Company** or **Thoroughbred Motorsports** parts or remanufactured or other parts that are authorized by **Thoroughbred Motorsports**. In certain instances, **Thoroughbred Motorsports** may authorize repairs at other than **Thoroughbred Motorsports** dealer facilities. Tire replacements under warranty will be made with the same brand and model as originally equipped with the vehicle unless the same brand and model is no longer available, in which case a tire of the same brand, size, load, speed and tread type will be used. In some circumstances, **Thoroughbred Motorsports** may authorize another brand and/or model to substitute for the original brand and model, even if still available.

Normal tire wear or damage is not reimbursable. See page 18 for details of what is not covered.
